(c) Based on the first five rounds of talks between the Special Representatives, both sides signed the "Agreement on Political Parameters and Guiding Principles for Settlement of India-China Boundary Question" on April 11, 2005 during the visit of the Chinese Premier Wen Jiabao to India. In the second phase of negotiations, the Special Representatives are mandated to work out an agreed framework for a boundary settlement on the basis of this Agreement. Such an agreed framework will provide the basis for the delineation and demarcation of the India-China boundary to be subsequently undertaken by civil and military officials and surveyors of the two sides.

These discussions are sensitive in nature and bringing out their details in the public domain will adversely affect the process of negotiations.
